## STUDENT COUNCIL

The 1957-58 Student Council put into effect the new policies of student government set forth in the new constitution which was drawn up and adopted during the 1956-57 term. Under the authority of this document, the student body is now designated the Student Government Association, and the Student Council is the executive organ of that Association, consisting of four members elected by the Association-at-large, with the remaining eight being elected by the four classes.

Under the leadership of President Kenneth Higginbotham, the Student Council has undertaken a record number of projects. First was the supervision of the Freshman Orientation program. Then in order to provide more on-campus activities, the Council sponsored many student mixes.

This year, the Council cooperated with the Speech Department and other organizations to present the First Annual Rose Festival in conjunction with the Forensic Meet.

Morris. Row three: Kenny Higginbotham, Jerry Cook, Ray Goode and Ed Hartman.

## GREEK GOVERNMENT ASSOCIATION

The Greek Government Association, until this year operating under the name of Panhellenic Council, serves to co-ordinate and regulate the activities of the eight Greek letter organizations on campus. It is one of the two most important student governing bodies at Morris Harvey.

Rules and dates for rushing, bidding and pledging by the Greeks are set up jointly by the GGA and the administration. It also formulates lists of those students eligible for membership in any of the Greek organizations.

A very successful talent show, Morris Harvey Presents, was produced by this group in October, 1957. The GGA also worked jointly with the speech department when the latter held its fourth annual invitational forensic meet here in December.

Membership of the GGA is comprised of three officers and two representatives from each Greek organization. Officers are elected during the latter part of the Spring semester.

## INDEPENDENT STUDENTS' ASSOCIATION

The Independent Students' Association was established in the spring of 1955. Membership is open to all students not affiliated with another social organization.

The chief purposes and aims of the ISA are to aid in the full development and adjustment of the independent students, and to further the development of Morris Harvey College.

The two main projects of the group this year were to become members of the national organization (NISA) and to bring to the campus a "name" in the music world.

The second project, "Ralph Marterie and His Famous Orchestra" appeared in February for a concert and the Sweetheart Swing.

The annual Fool's Fling is another social event sponsored by the ISA.

Ruth Layne became the first queen of the Rose Ball and later was selected by the student body as Miss Senior. Marshall McMillan and Bob Melton were selected to appear in Who's Who Among Students in American Colleges and Universities.

Alpha Mu Sorority was organized October 14, 1925, and it is the oldest sorority on campus. Founded on the mythology of the Greek Muses, the goddesses of the arts and sciences, it was called Alpha Mu—"Sisters of the Muses."

The purpose of the sorority is to promote friendly social relations on the campus, and develop character within the organization.

Active in all phases of campus life, Alpha Mu is represented in Band, F.T.A., Tempo Club, Panhellenic Council, Chi Beta Phi,

M.E.N.C., Blackfriars, Newman Club, Chi Rho Fellowship and Choir.

This year's activities were the Christmas Dinner, Dorm Welcome Party for the Freshmen, Fall Tea, Annual Spring Formal and Birthday Party. The sorority is also very active in the summer with projects and parties.

New pledges this year were Sally Crimmins, Mildred Engle, Diane Gray, Roberta Holdsworth, Ann Hopkins, Yvonne Puckett, and Angela Romeo.

The Phi Kappa Kappa sorority was organized in the Fall of 1928 on the Morris Harvey Barboursville campus. Its aim is to unite young women of congenial tastes into a more intimate fellowship. By means of this fellowship and sisterly understanding, each member is given the opportunity of broadening and enriching her life socially, intellectually, physically and spiritually.

Howdy Day accompanied by a style show, an annual affair sponsored by the sorority, broke the ice after Fall registration by making "howdy" the day's official greeting. Many other activities highlighted the year, such as the Sock Hop, bake sales, Twilight Tea, Hawaiian Rush Party, pledge initiation and dinner, Christmas Party, Mother's Day Tea and annual White Rose Ball Spring formal dinner-dance. Active also in civic affairs, the women of Phi Kappa Kappa each year at Easter give

a party for the children at Hillcrest Sanitarium. On campus they helped with forensic meets and sold programs at the basketball games.

An active organization of energetic members, women of Phi Kappa Kappa held offices in Blackfriars, Alpha Psi Omega, Newman Club, Wesley Fellowship, F.T.A., International Relations Club and are represented in the Choir, Band, Cheerleaders, Student Council and Greek Government Association.

The Phi Kaps were honored this year by having Carolyn Hanly elected Homecoming Queen with six of her eight attendants being members of the sorority. Members held an office in the Freshman, Sophomore and Junior Classes and Nancy Trotter was chosen editor of the **Harveyan** and selected to Who's Who Among Students in American Colleges and Universities.

**Fold, staple and cut,** this is the procedure as Phi Kaps Gaye McCoy, Cathy Honchell and Liz Hale finish the programs for the basketball game.

Merry Christmas! seems to fill the air at the annual Sigma Iota Chi Christmas party. This year the party was held at the Women's Residence Hall. Here the girls seem happy as they gather around the Christmas Tree because old Santa has already come for the Sigmas.

Jeannette Blackshire is served refreshments by Mrs. Young and Mrs. Holden, patroness and alumna, at the annual rush tea which was held this year at the home of Mrs. A. W. Cox.

## SIGMA'S DREAM OF THE FUTURE

Sarita, one of our most talented sisters, is a graceful ballet dancer, plays the piano, violin and clarinet and also has a lovely soprano voice. She dreams of using her talents for teaching others to have the love and satisfaction she has found in music.

Who wouldn't be dreaming if they had a handsome Jet Pilot like Second Lt. Tommy Clevinger to dream about? Nancy plans to marry Tom in May. She would like to go into elementary teaching for her life's work.

Thelma Ann has two dreams. One, her marriage to Mr. Bill Wandling, which took place on January 25, has come true. Her other dream is to work in the Methodist Church as a Director of Christian Education and a Director of Music.

Harriet's dream has already been realized, for she was married to Mr. Tom Greenwood on February 14. They are now residing in Baltimore, Maryland, where Tom is employed by the S. S. Kresge Company. Harriet has chosen social work for her vocation.

"Duke" and Carrie dream of the day when they will be Mr. and Mrs. Ernest Garton. We've an idea it won't be long. Carrie also plans to teach music to high school students.

This year marks the eleventh anniversary of the founding of the Morris Harvey chapter of Kappa Sigma Kappa Fraternity. Although a comparatively young group, the Kappa Sigs have well-established themselves at the college by the members' many and varied activities. The president of the current Greek Government Association is a member of this fraternity. Annually, the group enters teams in all major intramural sports. During the first

semester, the Kappa Sigs had the largest pledge class of all the fraternities on campus. Kappa Sigma Kappa Fraternity, Inc., is a national-international organization, founded in 1867 at Virginia Military Institute. It is composed of over 50 chapters (five in West Virginia), located throughout the United States and in Canada, Great Britain, Australia, and New Zealand.

The objects of the organization are to unite young men from various localities, to install a feeling of campus fellowship, to promote the interests of the College, and to open doors of social activity that might otherwise be closed.

Outstanding events on the Phi Sigma Phi Calendar include: The Turkey Hop, Bunny Hop, and formals for its members and their guests during the Christmas and Spring seasons.

The Phi Sigs selected Miss Nancy Blair as the fraternity sweetheart for this year.

The fraternity gives a George King award each year to the outstanding Basketball player on the Morris Harvey squad.

Sweetheart of Sigma Delta Phi

The Sigma Delta Phi Fraternity of Morris Harvey College was founded on January 2, 1950. Since then, this, the youngest of the Greek letter organizations has grown into one of the largest and most active fraternities on campus.

Many traditional functions are presented annually by the fraternity. The five major ones are: the "Welcome Dance" in September, the "Plymouth Rock Dance" in November, the "Christmas Formal" in December, "Sweetheart Weekend" in April, and the "Spring Swing" in May. Besides these many minor functions are also scheduled during the year such as stag parties, private parties, luncheons, and general "bull sessions."

The climax of the social calendar is the three-day function "Sweetheart Weekend" which is appropriately named because it is at this time that the new fraternity sweetheart begins her reign. The events of this function differ slightly from year to year, but usually consist basically of dances, parties, and other events.

Many members of the Sigma Delta Phi fraternity hold important positions in other campus organizations such as the Blackfriars and the Student Council.

The Sigma Delta Phi fraternity has planned and is planning many additional functions for the oncoming year. The true test of an organization is in the activities it presents.

Zeta Kappa is founded on principles of scholarship, fellowship, and high moral and social standards. The oldest of Morris Harvey's Greek letter organizations, it was begun March 14, 1923, by six students in old Billingsly Hall at the Barboursville campus. First called Kappa Kappa, the name was later changed to Beta Kappa. At a meeting in Huntington No-

vember 30, 1928, of active and alumni members, the name again was changed to Zeta Kappa. A grand Chapter was formed and the organization was declared national.

"Create, not imitate" is the motto of the fraternity and their pledge program carries out a high sense of purpose undergirded by ideals of ethics and comradeship.

## THE COMET

The **Comet** staff is snapped as they look over a story which is to appear in the next issue. **Seated:** Ed Morris, Editor. **Standing, left to right:** Jim Chirpitch, Bill Holfinger, John Hughes, Richard Hill and John Atkinson.

The **Comet** is a twice-monthly publication and is the official student newspaper of Morris Harvey College. It serves both as a means of communication and as a training ground for journalism students. Several former **Comet** staffers have gone into full-time newspaper work or other allied professions. Another **Comet** service is the letters to the editor column which allows any student to comment on

pertinent college affairs.

The editor and business manager positions are filled annually through selections made by the **Comet** board. Each position carries with it a full-tuition scholarship. Any student with training in either the editorial or business field is eligible to apply. Outstanding staff members are given recognition for their work at the yearly awards assembly.

## THE HARVEYAN

"We did it!"

But as we look back, we wonder how we did it. As most of the student body knows, there was a question as to whether or not we would have a 1958 **Harveyan**. The final decision came—needless to say it was a pro—a few weeks before the final deadline for all copy to be in the printer's hands.

Working madly, success was just about upon us when tragedy struck! Forty pages of pictures had been ruined by the Post Office, but this didn't stop us.

After working ourselves to distraction and short of a nervous breakdown, our final words are: "We did it!"

With the deadline drawing closer, the busy **Harveyan** staff pauses to have its picture taken. **Seated:** Nancy Snodgrass. **Standing, left to right:** Dr. John Kinnaman, Faculty advisor, Jim Malloy, John Osborne, Bob Rickard, Nancy Trotter, Editor, and Jim Gibson.

**Kneeling:** Archie Snedegar, Warren McGraw, Jim Harpold. **Seated:** Nancy Blair, Betty Tate, Jane Armistage, Allen Jones, Bob Sigmon, James Kelley, Don Metheny and Dr. O. J. Wilson, Faculty advisor.

## DEBATE CLUB

The Morris Harvey Debate Club was organized on the campus for the purpose of creating an interest in forensics and intercollegiate competition.

This year in conjunction with the Morris Harvey Forensic Meet and the cooperation of other student organizations, the First Annual Rose Festival was held.

The Morris Harvey debaters have done well this year in competition. Of the honors they have received, the first was "Best

Speaker" in the Wake Forest Novice Tournament, won by Warren McGraw. Second, they placed fourth in Sweepstakes Points at the Morris Harvey Forensic Meet. Next, they placed third in the Ohio Wesleyan Tournament. Allen Jones was first place winner in Radio Announcing at the Marietta College Tournament. Last, they placed third in the Harvard University Invitational Tournament. During the Spring semester, the club is looking forward to many more meets.

## BLACKFRIARS

With the productions "Fog on the Valley," "Night Must Fall," "Happy Journey" and "Family Portrait," Blackfriars enjoyed its biggest year yet and wrote another chapter in the growth of dramatics on the Morris Harvey campus.

This organization, like most other college theater groups, is dedicated to the cultural advancement of the college through the medium of legitimate dramatic art. Blackfriars promote and encourage any phase of drama whenever possible.

With diligent work the members have followed each endeavor to a favorable end. Every production is accompanied by a new and more difficult problem. And on each occasion the initiative and ingenuity of the members, working as one, has led to a practical solution.

**BLACKFRIAR OFFICERS**—Left to right: Ruth Legg, co-production manager; Carol Hover, secretary-treasurer; Jack Newton, president; Marjorie Smoot, vice president; and Glenna Postlethwait, co-production manager.

Perfater, Billy Marshall. **Row five:** Nancy Trotter, Margie Smoot, Carol Hover, Bob Rickard, Bob Lovett, Allen Jones. **Row six:** Jack Newton, Jim Gibson, George Moose, Gray Ferguson and Bill Morris.

The first step of any play is to select actors to fill the roles. This is done by holding tryouts.

Next the stage crew for the production goes to work. With hammer, saw and nails at hand, the set begins to take shape.

## A PLAY IS PRODUCED

With the set built, the next step is to paint and assemble it on the stage, place the lights and properties in their designated places.

The day of the performance arrives and the actors interpret their roles. The time that has elapsed from tryouts to performance has been approximately six to eight weeks.

## WESLEY FELLOWSHIP

**WESLEY OFFICERS**—Sylvia Simms, vice president; Jon Sullivan, president, and Jane Martin, secretary-treasurer.

The Wesley Fellowship exists as a part of the student program of the Methodist Church. The organization was established at Morris Harvey in the fall of 1949 with the following objectives: to lead students to become true believers, worshippers and followers of Jesus Christ and to help them find a vital, personal relationship with God; to develop a supporting group in which individuals will mutually strengthen one another in Christian ideals and conserving highest human values.

This religious organization is associated with the state Methodist Student Movement Association. Our local movement on campus has twenty active members this year. The meetings include a snack supper, devotionals and fellowship. The sponsors are Miss Virginia Williams and Rev. C. T. Miller.

## CHI RHO FELLOWSHIP

The Chi Rho Fellowship is an organization open to all students who are interested in full-time Christian service regardless of denomination. It is designed to bring together, for fellowship and service, the students who have dedicated their lives to the furtherance of God's Kingdom.

Up until September, 1955, the organization was known as The Ministerial Association, but at that time it was felt that all of those who were interested in full-time Christian service should be together in one body and that the title, The Ministerial Association, would not be appropriate since the group would include not only Ministerial Students, but also those interested in becoming Directors of Religious Education, Medical Missionaries, etc. So it was that the name was changed.

Since the organization was to be dedicated to Christ and His work, it was felt that this should be indicated in the new name, and so

**OFFICERS**—Sara Wilson, secretary; Frank Brizendine, president; Keith Clarke, vice president, and Hugh Wilson, treasurer.

the present name was chosen. Chi Rho are the first two letters of the word Christ as written in Greek.

## NEWMAN CLUB

As a club of Catholic culture and Catholic fellowship, the Morris Harvey Newman Club was organized in 1948 in order to deepen the spiritual and enrich the temporal lives of its members through a balanced program of religious, intellectual, and social activities; to weld the Catholic students into a common union; and to assist the college and its students whenever possible.

Apart from the spiritual reasons, it is also felt that Catholic students on the Morris Harvey campus should know each other and, where possible, associate with other Catholics.

Activities of the Morris Harvey Newman Club this year included corporate communions, lectures and discussions, parties and dances.

**NEWMAN CLUB OFFICERS**—Left to right: Marjorie Smoot, secretary-treasurer; Mr. Donald Banschbach, Faculty advisor; Chuck Dunlap, president; and Lee Lopez, vice president.

## FUTURE TEACHERS OF AMERICA

The George S. Laidley chapter of the Future Teachers of America was reorganized on the Morris Harvey campus during the fall of 1949. It is an affiliate of the National Students NEA and is open to membership to any student interested in teaching.

The purpose of this organization is to further acquaint future teachers with the duties, obligations and value of the teaching profession and to keep the education student informed of the present trends and opportunities offered in the nation in this field.

Its activities this year included attendance at the annual state F.T.A. convention, a tea in honor of the visiting National NEA President and the annual Spring Tea for F.T.A. members in the high schools of the county.

**OFFICERS**—Jo Ann Ciccarello, treasurer; Nancy Trotter, president; Joan Webber, secretary, and Jane Martin, vice president.

## M. E. N. C.

The Music Education National Conference is recognized as the voice of music education since it deals with all phases of music teaching throughout the public schools.

The student chapter of the MENC was organized on the Morris Harvey campus in 1952. It has been under the sponsorship of Professor Harold Ewing. The present membership is twenty-six.

The objectives of the organization are:

- To deepen the bonds of friendship and understanding between those of us who are seeking to become professional musicians;

- To broaden our outlook in the world of music activity;

- To increase our interest and knowledge in the branches of music education; and

- To aid in our preparation as professional musicians, to the end that we may make a worthy contribution to life in our time through music.

We therefore feel our responsibility includes evaluation of music education to ascertain our present condition, and to identify the general course or direction our profession is taking.

## TEMPO CLUB

The Tempo Club was organized at Morris Harvey College in 1954 and was officially recognized by the college May 18, 1955. It is an honorary band organization for both men and women. Its purposes are to foster better relationships between members of the band, better student-faculty relationships, and to promote better musicianship.

Membership in this organization is by invitation only. Minimum requirements for membership include two semesters of active participation in the band, the completion of twelve semester hours at Morris Harvey, an overall average of C. The student must be currently enrolled in 12 semester hours of study and have worthy personal traits.

Activities of the organization include music programs for various civic functions, record listening sessions, symphony previews of THE CHARLESTON SYMPHONY ORCHESTRA concerts, and other projects voted worthwhile by the members.

It is the goal of the Tempo Club to establish active chapters of the Kappa Kappa Psi and the Tau Beta Sigma, national honorary band fraternity and sorority on the campus.

Harvey College. The organization combines the purpose of promoting a better understanding of the Masonic tradition with social activities, by having guest speakers at dinner meetings, one meeting a year being designated as "Ladies' Night." The present membership includes representatives from eleven Lodges in four different states.

## INTERNATIONAL RELATIONS CLUB

The International Club was reorganized on the Morris Harvey campus this year, with the purpose of discussing and bringing about a better understanding of world affairs. It is open to any student with an interest in international affairs.

The West Virginia Gamma Chapter of Pi Kappa Delta was established at Morris Harvey on May 13, 1956.

The purpose of this organization is to stimulate programs in and to further the interests of intercollegiate speech activities and communication in an effort to provide functional leadership training for life and at the same time encourage a spirit of fellowship, brotherly cooperation and incentive for achievement.

Pi Kappa Delta is a national honorary forensics fraternity for those students who have met its qualifications by participation in forensic competition.

Epsilon Chapter of the Chi Beta Phi honorary scientific fraternity has been on the local campus since 1923, when it became the sixth organized chapter. The organization is composed of students that have shown a great interest in science and have displayed this through qualifying for membership by completing their first twenty hours of science with a 3.00 or better average.

Under the sponsorship of Dr. Frank Clark the membership currently totals 15, with the officers for the year being: Bob Paskel, president; Bill Jesse, vice president; and Yang S. Chun, secretary-treasurer.

The greatest projects of the chapter are the two annual awards and the dinner given for the membership with a noted speaker from the science world.

The first of these awards is the Chi Beta Phi Science Medal which is awarded annually by the chapter to that student who has attained the highest average on the first 24 hours of college science, providing the average is 90% or better.

The second award, the Chi Beta Phi Scholarship Key, is awarded by the national organization to the outstanding student member of each chapter of the fraternity.

With its motto of "Scientia Omnia Vincit," Chi Beta Phi continues to be the goal of the outstanding students of science at Morris Harvey College.

Once again this fall as in previous years, President Riggleman received the students, faculty and friends of Morris Harvey at his annual reception. The receiving line included Dr. Riggleman, Mr. A. W. Cox, Administrative and Faculty Officers and their wives.

It was well attended and proved to be a very successful evening for those in attendance.

## CHRISTMAS PARTY

Santa Claus visited the Morris Harvey campus again this year when the school held the annual Christmas Party in the Reception Hall.

The program included the singing of the traditional carols by the students, a Christmas message by Dr. Riggleman and musical selections by the choir and string ensemble, ending the party with the entrance of Santa Claus and his helpers with gifts of goodies for everyone.

Many students from time to time have asked just what effort and money are expended in producing the **Harveyan**. The editor and her staff commenced work in November of 1957 and on February 19, 1958 the last copy was sent to the S. B. Newman Printing Company in Knoxville, Tennessee. There are 277 individual pictures included and at present almost 225 additional activity

pictures. These pictures and the necessary copy make up the yearbook.

At this moment it is estimated that the **Harveyan** will cost at least \$3200.00 to produce and deliver into the subscribers' hands. In these brief paragraphs are told four months of hard work by the editor and the staff. They trust you will enjoy your **Harveyan**.
